## Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

### Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

### Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

### Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

### Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

### Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

### Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

### Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

# Nundah State School

Dear Parents/Carers,

## **Introduction to the State School Consent Form (attached) for Nundah State School**

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- what information we record
- how we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level.

Your child's student materials:

- are created by your child whether as an individual or part of a team
- may identify each person who contributed to the creation
- may represent Indigenous knowledge or culture.

## **Purpose of the consent**

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a licence for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent).

## **Voluntary**

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

## **Consent may be limited or withdrawn**

Consent may be limited or withdrawn at any time by you.

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/ third parties.

The School has developed a SRS for a whole school component which is common to all students depending on their year level; and specific goods and services consumed by your child which are related to individual subjects undertaken by your child.  
For more information regarding the SRS please see: [www.nundahss.eq.edu.au](http://www.nundahss.eq.edu.au)

- A single payment for the full year's fee

# Terms and Conditions of the Student Resource Scheme

## Privacy Statement

The Department of Education collects this information in accordance with section 51 of the *Education (General Provisions) Act 2006* ("the Act") in order to administer the Student Resource Scheme (SRS). The information will only be accessed by school employees administering the SRS. However, if required, some of this information may be shared with departmental employees for the purpose of debt recovery.

## Definitions

1. Reference to a "parent" is in accordance with the definition in the Act and refers equally to an independent student.

## The Student Resource Scheme (SRS)

2. The cost of providing instruction, administration and facilities for the education of students enrolled at state schools is met by the State.
3. The school is not responsible for providing textbooks, in-class consumables and personal resources for students.
4. The SRS enables parents to access certain resources, as detailed by the school, for an annual fee.
5. Participation in the SRS is optional: parents are under no obligation to participate.

## Parents and Citizens' (P&C) Association support of the SRS

6. All parents are invited to participate in the annual meeting of the P&C Association at which the income and expenditure report is presented and the proposed SRS inclusions and fees are tabled for approval.

## Parents experiencing financial hardship

7. Principals may vary payment options and/or waive all or part of the participation fee for parents experiencing financial hardship.
8. Parents experiencing financial hardship who wish to participate in the SRS should contact the Principal to discuss options.
9. The onus of proof of financial hardship is on the parent.
10. The school may require annual proof of continuing financial hardship.
11. All discussions will be held in the strictest confidence.

## Parents participating in the SRS

12. Parents indicate whether or not they wish to participate in the SRS by completing this Participation Agreement Form.
13. [An] invoice/s for the amount of the annual participation fee will be issued to the parent providing consent to participate in the SRS.
14. This agreement is for the duration of the student's enrolment at the school, unless a new Participation Agreement Form is completed.
15. Parents must notify the school before the invoice due date if they intend to cease their participation in the SRS in any year.
16. Where a parent chooses to participate, they are agreeing to pay the annual participation fee, in accordance with the payment frequency option selected on the form. There is no provision for participation.
17. All SRS resources provided for the student's temporary use remain the property of the school and must be returned when requested by the school or if the student leaves the school.
18. Parents are responsible for ensuring that any SRS resources provided for the student's temporary use are kept in useable condition. Where an issued item is lost, not returned, or negligently damaged, parents will be responsible for payment to the school of the value of the item or its repair.
19. Parents must inform the school if items on the list of resources are not received.
20. Non-payment of the participation fee by designated payment date(s) may result in debt recovery action in accordance with the Department's [Debt Management procedure](#). In such cases, the Principal may:
  - withdraw the student's participation in the SRS
  - require the return of items provided by the SRS
  - withhold the provision of any further items under the SRS
  - refuse participation in the SRS where participation fees are overdue from the previous year(s), and/or
  - exclude the student from optional, non-curricular activities and/or

- initiate debt recovery action.

## Parents NOT participating in the SRS

21. Parents indicate whether or not they wish to participate in the SRS by completing this Participation Agreement Form.
22. This agreement is for the duration of the student's enrolment at the school, unless a new Participation Agreement Form is completed.
23. Where a parent has previously indicated that they will participate in the SRS, but wishes not to participate in any year(s), the parent must notify the school prior to the invoice due date of their intention to cease participation.
24. Parents who choose not to participate in the SRS are responsible for providing their child with all items that would otherwise be provided by the SRS. School-produced resources (e.g. Student Diary) will be available for separate purchase from the school for non-participants.

## Operating the SRS

25. Schools will provide all parents with a list of resources provided by the SRS to enable parents to assess the cost effectiveness of participation.
26. Schools will also provide non-participating parents with detailed lists of resources to supply for their child.
27. All items included in the SRS must be able to be independently sourced by parents who choose not to participate in the SRS, either from a third party supplier or by purchasing a school-specific resource (such as a diary or workbook) from the school.
28. Schools may distribute information and invoices to parents in the year preceding the SRS but invoices must not be due before the end of the first week of term 1 of the SRS year. All invoices must have a minimum of 30 days for payment.
29. Parents must be given the option annually to choose not participate in the SRS.
30. In return for payment of the participation fee, the SRS will provide participating students with the resources and materials as outlined in the school SRS documents.
31. SRS moneys received are to be expended only on student resources outlined in the school's SRS and must not be expended on other items or used to raise funds for other purposes.
32. As the SRS operates for the benefit of participating parents and is funded primarily from participation fees, the school retains control of the resources and determines the rules around their availability to non-participants.
33. A student entering the school during the school year is entitled to pay a pro-rata fee to participate.
34. Where participation fees have been paid and a student leaves the school during the year, schools must determine if parents will be eligible for a pro-rata refund. This calculation will also take into account any pro-rata allocation of any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, parents will be liable to pay this balance of funds.
35. The replacement cost of any resource will be up to the maximum value (subject to depreciation where appropriate) of the acquisition cost to the school, as detailed on the annual SRS information provided to parents.
36. Schools may initiate debt recovery action in accordance with the debt management procedure where a parent has an outstanding debt

## **Introduction to the Online Services Consent Form for Nundah State School (Years 3 to 6)**

Our school uses tools and resources to support student learning, including third party (non-departmental) online services hosted and managed outside of the Department of Education network.

Online services, including websites, web applications, and mobile applications, are delivered over the internet or require internet connectivity. Examples may include interactive learning sites and games, online collaboration and communication tools, web-based publishing and design tools, learning management systems, and file storage and collaboration services.

This letter is to inform you about the third party online services used in our school and how your child's information, including personal information and works, may be recorded, used, disclosed, and published to the services (if you provide your consent for this to occur).

The Online Services Consent Form is a record of the consent provided.

### **About the online services**

After evaluation, the principal has deemed specific third party online services appropriate for school use. These online services are listed on the consent form.

Third party online service providers are external to the school, and the services may be hosted onshore in Australia or offshore outside of Australia. Data that is entered into offshore services may not be subject to Australian privacy laws. When considering whether to provide your consent, we encourage you to read the information provided about each online service, including the *terms of use* and *privacy policy*, which outline how information and works will be used and under what circumstances they may be shared.

#### *Student information*

The consent collected by the form covers both student personal information (e.g. name, date of birth) and school-based information (e.g., student username, email, year level) as outlined on the form.

Where permitted by the service provider, de-identified information will be used and/or efforts will be made to limit the amount of personal information disclosed and stored within online services (e.g., when registering accounts, only mandatory information will be disclosed).

#### *Student works*

Works might include materials such as student projects, assignments, portfolios, images, video or audio. Where student works will be created within, stored or published to the online service (in some cases, published information or works will be viewable by the public), this will be indicated in 'additional consent requirements' in Section 5 of the Online Services Consent Form.

#### *Parent information*

Where your personal information (e.g. parent email, name, contact details) will be disclosed to the online service, this will be indicated in the 'additional consent requirements' in Section 5 of the Online Services Consent Form.

## **Purpose of the consent**

Third party online services are used for various purposes. The purpose of use for each service is outlined in Section 5 of the Online Services Consent Form. For example, teachers may use online services with students to support curriculum delivery, complete learning activities and assessment, facilitate class collaboration, and create and publish class work (e.g. projects, assignments, portfolios).

The Online Services Consent Form records your consent for your child to register accounts, use, and, where specified, publish their work to these services. The form also collects your consent for school staff to collect, store, and transmit information to online services in order to manage school operations and communicate with parents and students.

It should be noted that, in some instances, the school may be required or authorised by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent.

## **Voluntary consent provision**

It is not compulsory to provide consent. If your consent is not given, this will not adversely affect any learning opportunities provided by the school to your child.

## **Consent may be limited or withdrawn**

You can withdraw your consent at any time by notifying the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

You may also limit your consent by providing consent for some, but not all, online services listed on the form.

Requests to limit consent in relation to how the 'Information covered by this consent form' and the 'Approved purpose' (Section 2 and 3 of the form) are applied to a specific service, will be treated as "do not consent", as the school cannot guarantee correct implementation of individual requests.

Due to the nature of the internet, it may not be possible for all copies of information (including images and student works that have already been disclosed or published) to be deleted or restricted from use if you request it. The school may remove content that is under its direct control, however, information and works that have already been disclosed and published cannot be deleted, and the school is under no obligation to communicate changes to your child's consent circumstances to online service providers.

## **Duration of consent**

The consent applies for the period of time specified on the form. You may review and update your consent at any time by notifying the school in writing (by email or letter).

There may be circumstances where the school issues a new consent form to seek additional consent e.g. in the event that new online services are identified for use.

## **Who to contact**

To return the form, express a limited consent, withdraw consent or ask questions regarding consent, please contact Gareth Emblen, Head of Curriculum (Acting) using the email address [GEMBL4@eq.edu.au](mailto:GEMBL4@eq.edu.au) or phone number **(07) 3635 5888**.
