

Sync issues— iPad

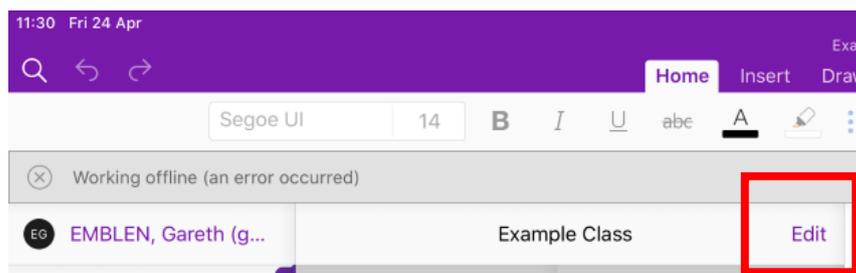

No content or a lot of content missing

Closing and reopening your notebook file.

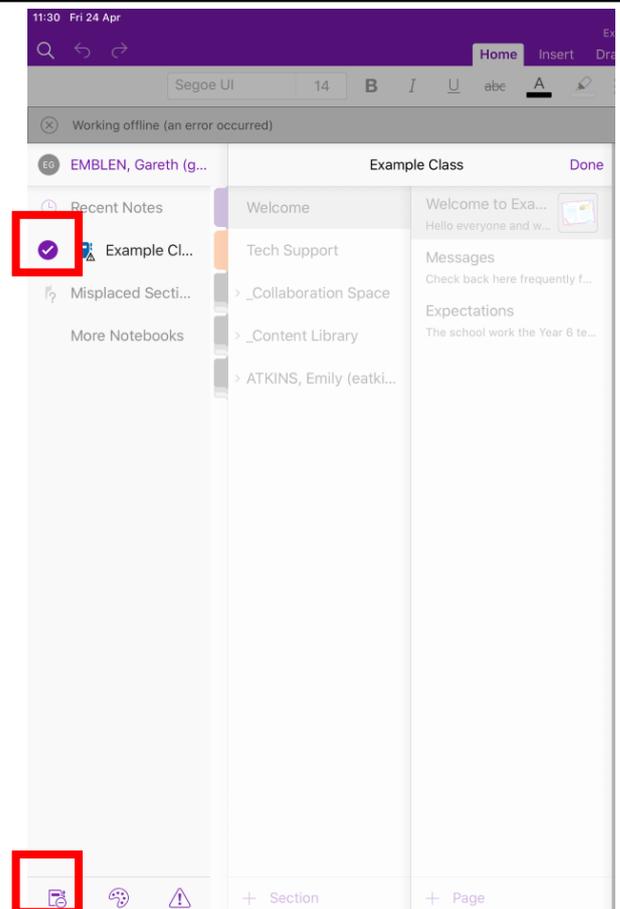

1. Tap the '<' arrow to show all notebooks.

2. Tap 'Edit'

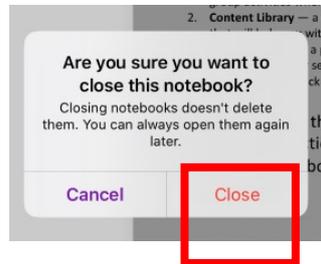

3. Tap the bubble next to the name of your class, then tap the close icon down the bottom.

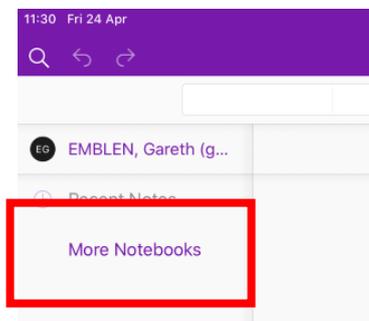

Sync issues— iPad

No content or a lot of content missing

4. When prompted, click 'Close'

5. Tap on 'More Notebooks' in the left column.

6. Choose your class from the list and this will begin downloading your notebook. **Please note** it will take a while to resync the entire notebook. Try to do this outside of school hours.
