## Adding apps to your child's iPad

This is a supplementary step in preparing your child's iPad.

Step 1: Use the camera app on your child's iPad to scan the app letter, or locate it on the school website.

When using the camera,

- Scan the QR code on the app letter
- Click the dialogue box that opens at the top of the screen.

Dear Parents and Caregivers of BYO iPad students,

Please download the following apps onto your child's iPad ready for use. The cost of apps vary— so please note these prices were correct at the time of publishing\*. As per the Responsible Use Agreement, you may download additional apps but these are not for use during school hours.

All iPads must be **clearly named** and remain in a **protective** case at all times.

Please Note:  
**Suggested Models:** iPad (8<sup>th</sup> or 9<sup>th</sup> gen), iPad Air (3<sup>rd</sup> gen) or iPad Pro.  
**Storage:** Minimum size is 32 GB, however a **larger memory will be more beneficial in the long term.**  
**Screen Size:** Minimum screen size of 9.5 inches so Nundah recommends a 9.7 inch or larger.  
**iOS:** Please make sure that **iPadOS 15** is installed and regularly check that the iPad's software is up to date.  
**External Keyboard** (folio case, wired or wireless) is **STRONGLY RECOMMENDED** to assist with typing development.

Scan this QR code to open the apps list on your device.

This is an interactive document. Scan the QR code and open in 'Books' app to load it on your iPad. Then click on each app to be taken to its corresponding App store page.
