2027 BYOD Student iPad Responsible Use Agreement

Nundah State School

This document outlines the expectations of responsible use for students with a personally owned or school issued iPad and aligns with the Nundah State School Code of Conduct.
This document is supported by the 2027 BYOD Student iPad Responsible Use Parent support document.

Please discuss each item with your child before ticking, signing and returning to school

General Use:

I will protect my equipment by:

1. making sure **my name is clearly visible on my iPad and all accessories.** ☐
2. ensuring my iPad is charged and ready to use at the beginning of each school day. ☐
3. holding my iPad with two hands when carrying it around the classroom/school and will walk when carrying it. ☐
4. keeping my iPad in my school bag on my trip to and from school. ☐
5. only using my iPad at school during class time, or during extra-curricular activities that are supervised by a teacher. ☐
6. only connecting my iPad to EQNET or iDET while at school. I am not permitted to access cellular services or VPNs at school. ☐
7. **immediately** reporting any accidents or breakages to my parents and teachers. ☐
8. NOT handling and using another student's device – even if permission has been given by the iPad owner. ☐

Content:

I will use my iPad to support my learning at school by:

1. using it only to complete class work and assignments set by my teachers. ☐
2. only going to websites that support my learning activities or are approved by my teachers ☐
3. accessing only school apps while at school. I understand I may have additional apps on a personal iPad, however I will NOT access these 'home' apps at school. ☐
4. ensuring the required apps are installed and there is enough storage available on my device for classroom use. ☐
5. ensuring I remember my login details and can recall these when needed. ☐
6. turning off notifications on all apps, or enabling focus mode, to reduce distractions to my learning (including on wearable devices such as watches) ☐
7. giving permission for my teachers, parents and carers to perform checks and monitor what apps, photos and videos I have and to check the websites which I visit. This includes connecting my iPad to Apple Classroom. ☐
8. NOT committing plagiarism or violating copyright laws; (e.g. use of illegally downloading and sharing of games, photos and music, and taking credit for other people's creations, including through the use of generative AI) ☐
9. only using my school email account for mail related to my learning. ☐
10. only using airdrop sharing **for educational purposes** and only with permission from my teachers. ☐
11. turning my iPad off and putting it away when I don't need it for class work.
12. I will NOT send messages or use FaceTime during school time – even to contact my parents, or to message my friends when I am home unwell (including on wearable devices such as watches). ☐

Digital Citizenship (at school and at home):

I will protect myself and support my friends by:

1. demonstrating respect when using my iPad/other equipment with regards to other people. ☐
   This means:
   - being kind, considerate and respectful of others when using a device.
   - '**Pausing for People'** – stopping to show my listening when others begin talking to me.
   - **only taking photos and recording sound and video** when granted permission by my teacher and the people involved.
2. understanding that my passwords/passcode must never be given to any other user except for my parents or carers. I will not allow anyone else to use my school account. ☐
   If I have any reason to suspect that my account may have been compromised, I should report it immediately to my teachers, parents or carers.
3. NOT revealing names, personal details or images of myself or others, online or in electronic communication unless it is safe **and** I have been given direct permission to do so by my parents, carers or teachers.
4. being Cyber Safe and Cyber Smart when using the internet at school and at home. ☐
   This means:
   - understanding that the internet can connect me to useful information around the world.
   - being responsible when conduct researching for school and browsing online
   - questioning what I see online to check what is true
   - asking for help when I need it.
   - immediately closing the window and informing a trusted adult at home or school if I find something offensive or something that makes me uncomfortable
   - reporting suspicions of cyber bullying to a trusted adult.
5. being Cyber Safe and Cyber Smart when using messaging at home, **if I am allowed by my parents or carers.**
   This means:
   - setting and following respectful and responsible expectations with friends, such as respectful language and appropriate times for messaging. ☐
   - understanding it is unacceptable to create or share offensive messages and pictures
   - only being in chats with people I know in person
   - reporting behaviour that is inappropriate, unsafe or unkind to a trusted adult

I will follow the expectations and consequences that my class agrees regarding iPad use at school. I understand that following the items outlined in this document is part of our class agreement.

I understand there will be consequences for inappropriate use of my iPad at home or at school. I may lose the privilege of accessing the school network or of using the iPad at school or home for the session, day, week or longer. I may be subject to additional consequences according to our classroom expectations and the Nundah State School Student Code of Conduct.

We have read the above Student iPad Responsible Use Agreement. We agree to abide by the guidelines outlined in these documents.
