## Memorandum of Understanding for Students in the iPad Program Year 3 2021

The Bring Your Own iPad Program is designed to help students keep up with the demands of the 21st century. Helping students become responsible digital citizens will enhance what we do in the classroom and give students skills and experiences that will prepare them for their future studies and career.

### 1. Purpose

The memorandum confirms that parents will provide/purchase an iPad for their child to use in Year 3, 2021.

### 2. Commencement

This agreement commences upon signing the memorandum. The signed memorandum will inform school planning for 2021.

### 3. Program start

We plan to start over a two-week period at the beginning of Week 3, Term 1. This will assist us to set up the devices and link them to the school network. Could you please have purchased all apps on the school list by the beginning of Term 1, 2021.

### 4. Apple ID

Please set up an Apple ID (and link it using family sharing if you have your own Apple ID so that you can monitor purchases and your child's activity online). Please consider using Screen Time to monitor and restrict iMessage and Facetime as suggested in the iPad Program Handbook.

Thank you for your support of our BYO iPad program.
