2 November 2017

Dear Parents and Caregivers of BYO iPad students

This letter provides you with information about the start of the iPad Program in 2018. It begins Monday of week three, allowing time for classroom procedures to be established; class teachers may request them earlier. Limited school devices will be available for students without a personally-owned device to share from week three.

Suggested iPad models – iPad or iPad Pro. An iPad mini is also supported.  
 32 G is the minimum storage needed - however a larger memory will be more beneficial in the long term.  
 ACARA has suggested a minimum screen size of 9.5 inches so Nundah recommends the 9.7 inch iPad or larger.  
 Please make sure that **iOS 11** is installed and regularly check that the iPad's software is up to date.

The list of Apps is below. Please download them onto your child's iPad ready for use. The cost of apps varies – so please note these prices were correct at the time of publishing<sup>1</sup>.

\*As per the Responsible Use Agreement, any additional Apps are not for use during school hours.

All iPads must be clearly named and remain in a **protective** case at all times.

Apple Office Suite Apps	Pages Numbers Keynote Garage Band iMovie iBooks iTunes U	**All iPads purchased after October 2013 can download these Apps at no cost during the initial set up.				
Classroom Apps	File Browser - \$9.99		<a href="https://itunes.apple.com/au/app/filebrowser-access-files-on/id364738545?mt=8">https://itunes.apple.com/au/app/filebrowser-access-files-on/id364738545?mt=8</a> FileBrowser is a reliable app that allows students to wirelessly transfer their work to their teachers and our network.			
	Notability - \$14.99		<a href="https://itunes.apple.com/au/app/notability/id360593530?mt=8">https://itunes.apple.com/au/app/notability/id360593530?mt=8</a> This app allows students to make notes, highlight and is a dynamic study tool.			
	Explain Everything - \$5.99		<a href="https://itunes.apple.com/au/app/explain-everything/id431493086?mt=8">https://itunes.apple.com/au/app/explain-everything/id431493086?mt=8</a> This powerful app can be used to capture screen presentations. Students can make a range of 'How-to' videos about any topic they are studying.			
	Book Creator - \$7.99		<a href="https://itunes.apple.com/au/app/book-creator-for-ipad-create/id442378070?mt=8">https://itunes.apple.com/au/app/book-creator-for-ipad-create/id442378070?mt=8</a> This handy app encourages student creativity – it is used in all curriculum areas and caters for students' different learning styles.
