Memorandum of Understanding for Students in the iPad Program Year 4 2018

The Bring Your Own iPad Program is designed to help students keep up with the demands of the 21st century. Helping students become responsible digital citizens will enhance what we do in the classroom and give students skills and experiences that will prepare them for their future studies and career.

Student Name: _____

Date: _____

Roll Class: _____ 2017

Parent Name: _____

Signature: _____

1. Purpose

The memorandum confirms that parents will provide/purchase an iPad for their child to use in Year 4, 2018.

2. Commencement

This agreement commences upon signing the memorandum. The signed memorandum will inform school planning for 2018.

3. Rolling Program start

You will be advised when to send the iPad to school in Term 1, 2018. We plan to have a rolling start over a two-week period at the beginning of term one. This will assist us to set up the devices and link them to the school network.

4. Apple ID

I will set up an Apple ID using my **child's school email address** and link it using family sharing to my own Apple ID so that I can monitor purchases and my student's activity online. The purpose of setting up an Apple ID using my child's school email address is so that the school can monitor appropriate use of email and internet through our servers but also so that students can utilise iTunes U during school hours. Other email addresses are blocked by the school server.

Thank you for your support of our BYO iPad program.
