- Enrolments open for the 2023 school year at the school administration office at 8:00am on Tuesday 19 April 2022 (First day of term 2).

- We accept enrolments from students living in the enrolment catchment and siblings of children already attending automatically. We also accept students from out of our catchment area (subject to availability). We create a list of out of catchment requests as they come in and invite you to be included in all the activities, we host so you can get to know our school and other families.
- Catchment area maps can be found at <https://www.qgso.qld.gov.au/maps/edmap/>. Please ring the office for more information on 07 3635 5888.
